

**2009 Plaque
Order
Form**

There were some changes coming out of the 2009 Keystone BMX Association Spring Meeting. The biggest change of all, involves the number of races needed to qualify for the 2009 State Championship. All riders are now required to race in six Qualifier Races in order to qualify for the Championship. As always, each day of a qualifier counts toward that number. So, if a rider races on Saturday and Sunday, it counts as two of the needed six qualifiers.

The fees for the Championship series have also changed this year. All qualifier entry fees will be just \$15.00. The trophy plaques that we have had in the past can be purchased outright for \$20.00. You will no longer have to race 4 races to receive your plaque. By ordering your plaque now it will guarantee that you receive your plaque at the 1st race. Also at the championship you will be able to race for trophy even if you did not buy the plaque.
